

SILVERWING ARMOURY

OUR PROCESS

Silverwing Armoury believes in making a product that serves the unique notetaking needs of all players and Game Masters, regardless of the tabletop roleplaying game they might be playing in or running.

Gaming is for everyone.

These system agnostic notebooks are all designed and handmade in house, with the following features:

NOTEBOOK DIMENSIONS

5.5 inches x 8.25 inches (13.97 x 20.96 cms).

COVER INFORMATION

- 80 lb/215 gsm cover stock (card stock).
- Feature prints of original geeky artwork and graphic design

INSIDE PAGES

60 lined, graph, or dotted pages made with FSC certified paper.

Available expansions:

- GM and Worldbuilder expansions increase the inside page count from 60 pages to 80 or 100 pages, respectively.
- The Player Expansion adds a D&D 5e character sheet to the front of the notebook.
- The Combination expansion allows the customer to choose one type of inside page for the front half of their notebook and a second type for the back half.

ADDITIONAL FEATURES

- Page marker
- Box to write or for the user's own numbering system
- Front index
- Hand stitched spine
